## About This Game

Put your multitasking skills to the test in Super Flipside, an impossibly hard arcade action game. Control two ships simultaneously through endless waves of gates, laser beams, and blocks. Pinpoint precision is required - one wrong move and it's game over, man. Hone your skills and master all nine levels!

This game is fast and to the point - a round of Super Flipside can be completed in seconds, making it an ideal way to kill some time if you've only got a couple of minutes to spare. Don't let that fool you, though; Super Flipside's unrelenting difficulty and addictive nature will keep you coming back for more.

Super Flipside sports a unique two-tone art style and an incredibly catchy chiptune soundtrack by Shirobon.
